# WHO WE ARE ?

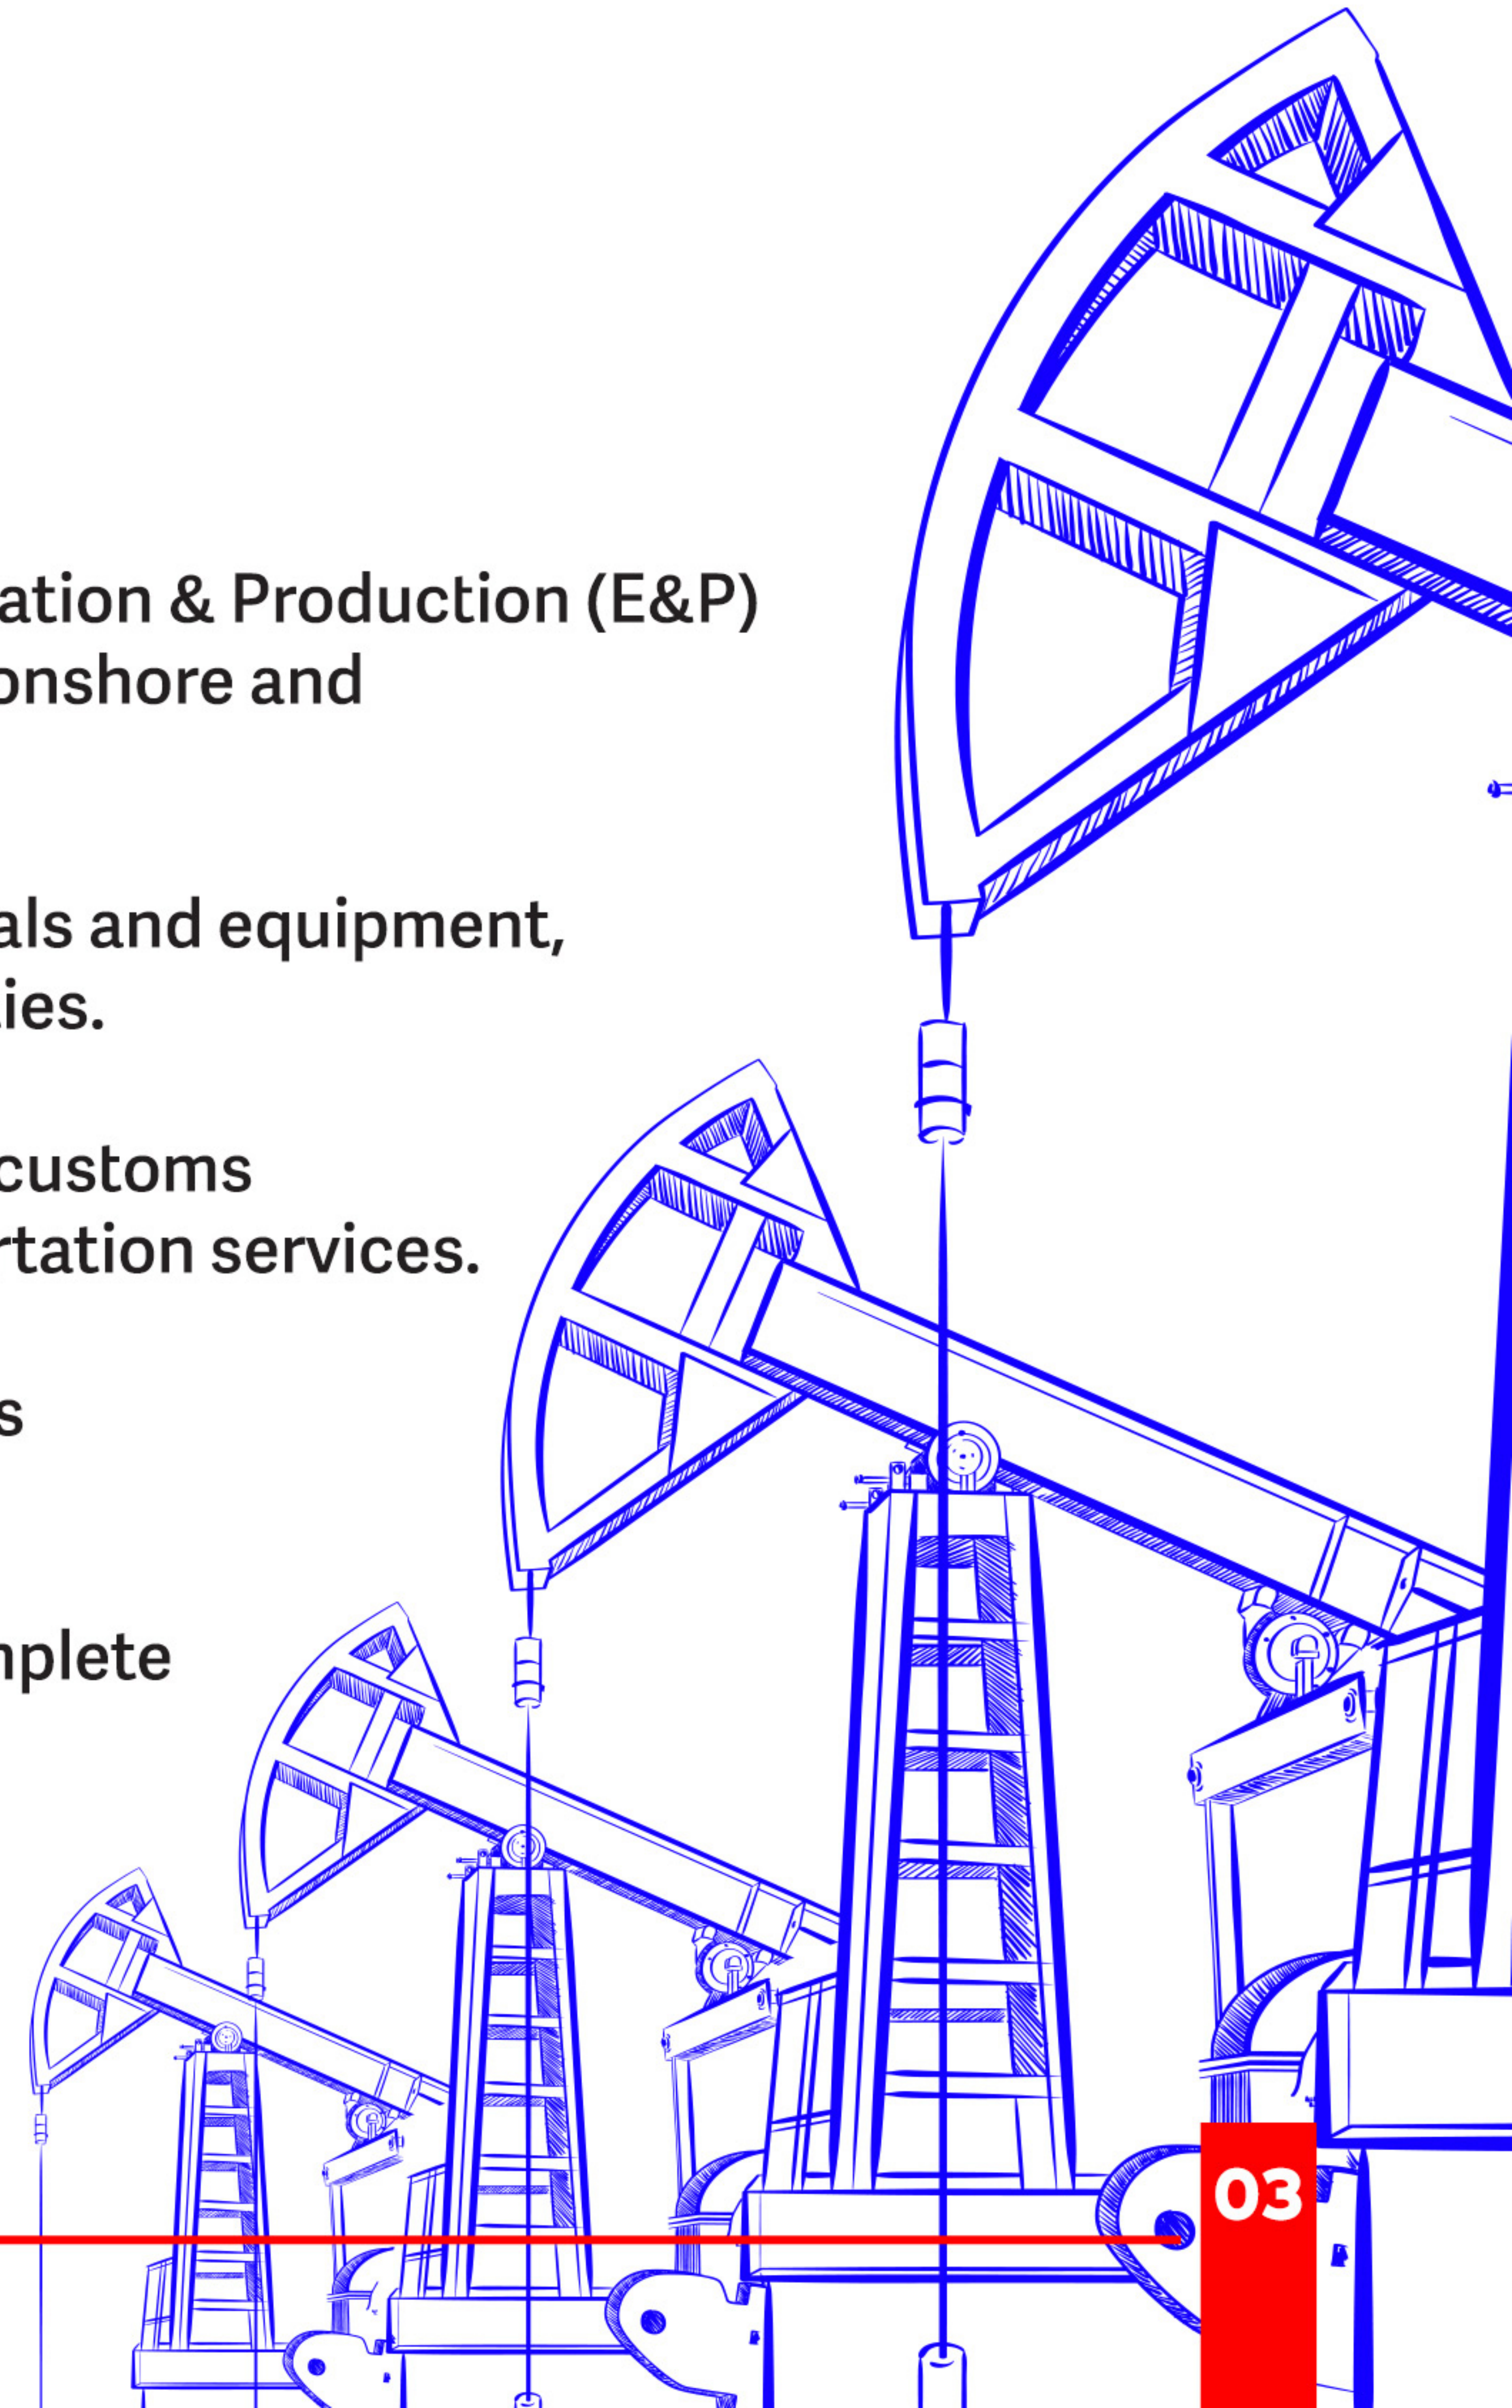

**Alharaba Oil Services Inc. (HOSI)**, established in 2006, operates under Libyan law and has grown into a leading and highly respected regional oil services company in Libya.

# SERVICES

- 01** Comprehensive Technical Services: Supporting Exploration & Production (E&P) activities with integrated technical expertise for both onshore and offshore drilling and production.
- 02** Procurement and Supplies: Providing essential materials and equipment, including spare parts, for drilling and production facilities.
- 03** Operational Coordination: Managing import logistics, customs clearance, and providing efficient land and air transportation services.
- 04** Specialized Supplies: Offering tailored supply solutions for oil and gas operations in remote desert locations.
- 05** Construction and Engineering Support: Delivering complete material packages for engineering and construction projects.

# OUR VALUES

## Respect

We value diversity and treat everyone with respect, dignity, and professionalism.

## Excellence

We strive for excellence in all our recruitment solutions, leveraging cutting-edge technology and innovative strategies.

## Collaboration

We value teamwork and collaboration, both internally and with our clients and candidates.

## People First

Our methods of communication are based on mutual trust and respect.

## Sustainability

Committed to carbon neutrality in everything we do.

## Integrity and Honesty

We are committed to honesty, transparency, and ethical behaviour in all our interactions.

# EXPERIENCE

# COMMERCE: STREAMLINED PROCUREMENT AND DELIVERY

**Our commerce process is designed to ensure efficiency, quality, and timely delivery in every transaction. Below are the key steps we follow :**

## Engaging with the World's Leading Oil Companies

- We maintain strong communication and partnerships with top global companies in the oil and gas sector to ensure we source from the best.

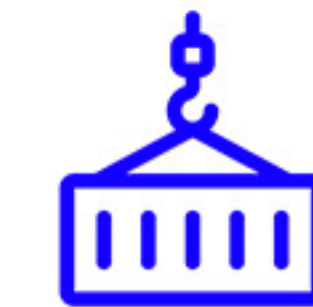

## Guaranteed Top Quality

- We only source materials of the highest quality, ensuring reliability and durability in even the most demanding environments.

## Price Comparison and Selection

- Through meticulous market analysis, we compare prices to secure the most competitive rates without compromising quality.

## Port Delivery Option

- We offer the option to deliver goods directly to the port, ensuring ease of access for clients based near coastal areas.

## Fast Shipment of Materials

- We prioritize swift and reliable shipping, ensuring that all materials reach their destination in the shortest possible time.

## Field Delivery Option

- For convenience, we provide the option of delivering materials directly to remote oil fields, ensuring on-site availability without delays.
